- ***Please call if you have registered your child but are unable to attend a program so that others do not miss out!**
- * **Caregivers must remain in the library while their children attend programs.**

Minecraft Mondays: Ages 7-13

Mondays from 10:15-11:15am Weekly Registration Required: Opens the Monday Prior

This program offers game lovers a chance to explore the world of Minecraft, complete challenges, and learn new tricks! Please bring your own portable device and game if possible.

Mad Scientists: Ages 7-12

Mondays from 1-2pm Weekly Registration Required: Opens the Monday Prior

This summer, children have the opportunity to have some real fun with GPL's very own mad scientist! Messy science experiments pertaining to fun and interesting topics each week will allow children to experience science in an exciting and innovative way. We will cover a range of scientific fields including biology, chemistry, geology, statistics, astronomy, geography, anatomy, forensic science, anthropology and more! This program will teach children to combine their curiosity, with science and fun!

Art Adventures: Ages 6-12

Mondays from 3-4pm Weekly Registration Required: Opens the Monday Prior

New art techniques, local guest artists, and famous artists are some of the topics that will be explored in our all new art program. Young artists will get to try their hands at water colour painting, creating caricatures, Norval Morrisseau imitation art, wet to wet pastel techniques, sketching and so much more. Each week participants will learn about a new art style or technique and will create a piece to add to their own art portfolio or to display at home.

Story Time: All Ages

Tuesdays at 10:15am No Registration Required

Bring your little one every Tuesday morning for story time, sing-a-longs and crafts! This includes a special visit from Muskoka's Early Literacy Specialist **Sandy Inkster on August 1st, a Teddy Bear Picnic on July 11th and Pajama Day on July 25th!**

Primary Reading Club: Ages 4-8

Tuesdays from 3-4pm No Registration Required

Keep up with reading over the summer with the Primary Reading Club. Listen to a story, participate in a fun activity, craft or game, and receive prizes for reading! Your child will get help choosing age appropriate books that suit their interests and will learn to make real life connections to what they read. Learn to love reading in this fun and welcoming environment.

Story Time Tent at the Discovery Centre: All Ages

Wednesdays at 9-11am Drop In

Take a walk down the board walk and visit our Story Time Tent out front at the Muskoka Steam Ships Discovery Centre. Not only will we read stories, but we will provide fun activities for children of all ages, including crafts, games, sing-a-longs and more! (Children must be accompanied by an adult).

Library Survivors: Ages 6-12

Wednesdays from 1-2pm Weekly Registration Required: Opens the Monday Prior

There will be two teams but only one will win! Library Survivors encourages teamwork and cooperation through a series of fun activities and challenges. Register your child and they will be assigned to a tribe for which they will complete challenges to earn points. Held outside in our neighboring church yard, kids will get some fresh air and enjoy some physical activity by competing in everything from obstacle courses to life sized board games! They can gain additional points by completing optional take home tasks such as reading or puzzle challenges. Points will be tallied throughout the summer and the winning tribe will be rewarded at the End of the Summer Bash!

Community Champions: Ages 11-14

Wednesdays from 3-4pm Registration Required

Whether you are looking to make a difference in your community, get some volunteer hours, meet new people, or even build up your resume for your first job, this program is for you. Students from grades 6-8 will choose a local charity or cause to support and will develop and run fundraisers, and/or awareness campaigns with the guidance of library staff. Let's make a difference this summer!

Lego Club: Ages 4-13

Thursdays from 1pm-2pm No Registration Required

Join us for an hour of fun, imagination, creativity and learning at the Gravenhurst Public Library's weekly Lego Club meetings! Children will have the opportunity to explore and build with Lego. Weekly Lego Club challenges accompanied with self-reflection will enhance both literacy and problem solving skills.

Junior Book Club: Ages 9-12

Thursdays from 3-4pm Registration Required

Keep up with reading this summer with the Junior Book Club. Participants will choose from one of four novels and will read to earn prizes! Each week we will have a book club meeting to talk about our reading journey and complete challenges. Come, read, earn prizes, and most importantly, have fun!

Library Activity Tent at Cinema Under the Stars: All Ages

Thursdays at 7:30pm (July) and 7pm (August) Drop In

Come to Gull Lake Rotary Park for pre-show activities and crafts at the Gravenhurst Public Library Activity Tent!

Marvelous Movies: All Ages

Fridays at 2pm No Registration Required

Family friendly movie screenings with a new surprise snack each week!

Discovery Series!

Our Discovery Series Program is inspired by STEAM, which stands for Science, Technology, Engineering, Art and Mathematics! STEAM is hands on and experimental, uses tools and gives children options! This program is all about the process, not the product. This series encourages discovery and creativity!

Math to Masterpiece Ages 4-8

Friday July 14th from 10:15am-12:15pm Registration Required

This week we will explore math and patterning through art. Children will make geometry art and learn about different types of patterns.

Designing Disaster Architecture: Ages 6-12

Friday July 21st from 10:15am-12:15pm Registration Required

Participants will build and test stable structures against earthquakes, floods and tornados. Can you outsmart Mother Nature?

Coding for Rookies: Ages 7-12

Friday July 28th from 10:15am-12:15pm Registration Required

Learn the basics of coding using scratch and other coding tools. Bring your own device as devices are limited.

Lights, Shadows and Mirrors: Ages 4-7

Friday August 11th from 10:15am- 12:15pm Registration Required

This week we will discover the science of light using mirrors and shadows! Participants will play and learn with light, and even make something to take home....

Animation Generations: Ages 8-12

Friday August 25th from 10:15am- 12:15pm Registration Required

How did animation get started and where has it gone? In this discovery program, children will learn and recreate THREE animation techniques used throughout the last century. Please bring your own device as devices are limited.

Special Events

Drop In

Canadian Summer Kick Off Celebration:

July 3rd from 1-3pm All Ages

Summer and Canada Day themed games, crafts and snacks all at the Library. This event is fun for the whole family!
