

AN INVITATION TO THE TOWN HALL OPEN HOUSE

Despite a raging blizzard in February of last year, over 200 people came to the Opera House to present their concerns and ideas to the Town staff and Council. This enthusiastic response was part of the impetus that created the downtown revitalization project.

A Town Hall Open House will be held on Wednesday, January 25 at 7 pm at the Opera House to share information and updates about the initiative and show how it addresses many of the suggestions received from the community. It also offers the chance to meet the Town's new Chief Administrative Officer.

With a welcome from the Mayor, a presentation from the Ministry, an update from the coordinator, an introduction to the Town's new head of staff, and a chance to be heard, the evening promises to be informative and enjoyable. Light refreshments will follow the main event, with a chance to mingle and chat.

Date: Wednesday, January 25

Time: 7:00 p.m.

Location: Gravenhurst Opera House

RSVPs are welcomed:
