Attention Teachers!

Husband and wife team, **Brent and Sarah** - as seen on *Disney Cruise Line* - are coming to the Opera House for an interactive magic show with a strong anti-bullying message. The show empowers students to believe in themselves no matter what they are facing. The goal of the show is to inspire students to create a safe and inclusive environment at school. Brent and Sarah do this through laughter, compassion and positivity. **Brent and Sarah** know that when schools join together, they can help make bullying disappear!
