

Permit Application For A Water & Sewer Connection

The following items are required and form part of a complete application:

1. An **Application for a Permit to Construct or Demolish** fully completed (please include Roll No.);
2. You may be required to submit the following:
 - A complete District of Muskoka Water and/or Sewer Connection Permit ***signed*** by a District of Muskoka Representative and Applicant;
 - The Sanitary Service Lateral Location Sheet (given to you by the District of Muskoka)
 - Water Service Lateral Location Sheet (given to you by the District of Muskoka)
 - Water and Sewer trench cross section
 - CAN/CSA standard of pipe being used for water and standard of pipe being used for sewer and connection fittings;
3. Ensure that the **Schedule 1 “Designer Information”** sheet is completed.
4. Building Permit Fee.

The Building Department can only accept and review complete applications and plans. The review is to ensure that they meet Ontario Building Codes, Municipal by-laws and other applicable law. If the project requires a septic approval, the building permit will not be issued until such approval is granted.
