They provide the highest quality non-alcoholic beverages including century-old recipes, modern creations, and natural spring water.

Sparkling beverages are made with the finest ingredients. Alongside the classic Pale Ginger Ale, check out Old Tyme Orange, Stone Ginger Beer, Silver Birch Beer, and Maple Cream Ale—a new creation that literally bottles a piece of Muskoka.

Muskoka Springs Craft Beverages are great in floats, cocktails, and on their own. They have been pleasing Muskoka lovers for over a century!

Sawdust City Brewing Co. sawdustcitybeer.com

Sawdust City Brewing Company is dedicated to the art and science of creating exceptional craft beers. In addition to year-round brands, they brew seasonal offerings, exciting, limited batch brews, barrel-aged and experimental beers. All of their beers are all-natural and made with only the finest ingredients.

The 20,000 sq. ft. facility is located on the main street of Gravenhurst. It includes a 24hL Canadian-made brewhouse, canning line, barrel-aging room, a large retail store, and Tap Room, endearingly titled 'The Saloon'. The focal point of the Tap Room is a 24-foot live-edge bar milled from a 100-year-old naturally felled pine tree, honouring the long history of logging in Muskoka. The bar features 18 draught lines, tasting flights, a mug club, and tutored tastings.

Enjoy the outdoors on The Patio with a pergola and ample seating or check out The Service Bay, a stunning event venue fit for any special occasion!

For social celebrations, private dining rooms seat from 10 to 100 guests in elegant, turn-of-the-century surroundings. Create memories on a sunset dinner cruise as you glide across Lake Muskoka under the starlit skies. A delicious dinner will be served in the ship's dining salon while you take in the Lake Muskoka shorelines dotted with cottage lights.

You can also treat yourself to breathtaking views and a delightful High Tea. Dating back to the 1800s, this divine tradition includes taking tea with finger foods, sweets, scones, and savories and tea sandwiches.
