APRIL READING TRACKER

RULES:

1. Pick up a reading tracker sheet from the library.
2. Check a box for each day you read this month. Remember: every person is unique and so is their reading journey. That means you might check a box if you read for five minutes or five hours, if you read to yourself or to a pet, if someone reads to you, if you read along with a Wonderbook, listen to an audiobook or read an eBook.
3. **Return your tracker** with your name, age, phone number, and parent signature **by Friday, May 1st**, for your chance to win a prize. Each checked box is worth one entry into the prize draw.
4. Earn bonus entries by reading every day this month and by borrowing a non-fiction book from our collection!
5. This contest is open to children ages 4-12.
